

THE NEW YORK ACADEMY OF SCIENCES

June 21, 1993

James F. Glenn, M.D.
Chairman of the Board
The Council For Tobacco Research - U.S.A., Inc.
900 Third Avenue
New York, NY 10022

Dear Dr. Glenn:

Let me thank you on behalf of the Academy for your generous support in the amount of \$50,000 for our conference entitled "*Functional Diversity of Interacting Receptors*" to be held May 25-28, 1994 in Washington, D.C. We certainly appreciate your contribution. It will go a long way to insuring the quality of the discussion.

The Council for Tobacco Research-U.S.A., Inc. will be listed in the conference program, flyer and the resulting volume of the *Annals* as a **Major Contributor** and will receive fifteen (15) free copies of the *Annals* that results from the conference. In addition, you will have the option to purchase a maximum of 50 additional copies at the pre-publication price of \$35.00 and as many other additional volumes as you like at 50% of the full publication price.

An order for publication is enclosed. The order for the copies at the pre-publication price must be returned to us by the last day of the conference, May 28th. Although the full publication price has not yet been determined, *Annals* volumes usually cost approximately \$125/volume. Orders for additional copies at the 50% discount may be sent at any time. Your order will be processed automatically once the volume is published, typically about one year after the conference.

As a **Major Contributor** you will receive four (4) free registrations into the conference. I have enclosed a form and are asking you for the names of the people who will use them. Their full conference packets will be waiting for them at the door. We'd appreciate having this form back by April 1, 1994.

Again, our thanks for your generous support of Academy programs. If you have any questions, please do not hesitate to contact me.

Sincerely yours,

Lynn Serra
Development Manager
Conference Department
